

Directions to the Computer Engineering Department The University of Jordan

Reference the map below from [wikiMapia](https://www.wikiMapia.com)

- Enter the university from the South Gate (near the University of Jordan's Hospital).
- After 500 meters, take the first left and enter the parking lot of the Faculty of Engineering and Technology (FET) on the right. Note that there is a fighter jet at the entrance of this parking lot.
- You can park your car in this parking lot.
- Take the small road in the middle of the west side of this parking lot.
- After 50 meters, you reach the south edge of the FET Building.
- There is an elevator at this edge next to the FET Stores.
- Take the elevator to the 4th floor.
- The office of the department is the fifth office on the right (office number 409). Dr. Gheith Abandah's office is the third on the left (office number 406).
